

## DU TOITSKLOOF

Du Toitskloof

### 2019 Du Toitskloof Chardonnay

South Africa > Western Cape

Dry, White, Still wine

100% Chardonnay

This fruit-driven Chardonnay comes alive with citrus and lime flavours on the nose. Dried peaches, vanilla and subtle wood flavours carry through to the palate of this well-balanced wine.

### About us

Quality. Consistency. Ethically. These are the 3 pillars on which we build our brand. Du Toitskloof's 22 member farms have nearly 1000 ha of land on the wide Breedekloof valley floor and Rawsonville mountain slopes. We're well known for our award-winning and palate-pleasing wines, but over the last 12 years, we've also managed to establish ourselves as one of the largest Fairtrade producers in the world. (R4.6m was disbursed in 2017 alone, funding creches, schools, a clinic and mobile library - with wifi and computer facilities.) We're simply this; "Distinguished wines made by Nature".

### Recommendation

Treat your dinner guests to roast chicken with rosemary and braai-aartappels in duck fat. Chardonnay is the most food-friendly wine around, equally at home with breyani and pickled fish as with perlemoen or fancy-schmancy crayfish salad.
