

DU TOITSKLOOF

Du Toitskloof

2017 Du Toitskloof Cabernet Sauvignon

South Africa > Western Cape

Dry, Red, Still wine

100% Cabernet Sauvignon

This full-bodied red wine holds aromas of blackcurrant, cassis and spices from ten months in wood. Sweetish and richly textured on the palate with good supple, dry tannins, ending in a long-lasting, savoury finish.

About us

Quality. Consistency. Ethically. These are the 3 pillars on which we build our brand. Du Toitskloof's 22 member farms have nearly 1000 ha of land on the wide Breedekloof valley floor and Rawsonville mountain slopes. We're well known for our award-winning and palate-pleasing wines, but over the last 12 years, we've also managed to establish ourselves as one of the largest Fairtrade producers in the world. (R4.6m was disbursed in 2017 alone, funding creches, schools, a clinic and mobile library - with wifi and computer facilities.) We're simply this; "Distinguished wines made by Nature".

Recommendation

Serve this superb wine with robust meat dishes such as roasts. Also excellent with duck and matured cheeses and the perfect companion to a quality meat steak.
